MUSHROOMS

What is a mushroom? Watch this short episode of PBS Kid's 'Nature Cat' and get to know more about mushrooms!

<https://www.youtube.com/watch?v=tTqfvxBuxBl>

Try your hand at digitally finding mushrooms with this interactive game before going outside to find mushrooms in your neighborhood or local park.

Brush up on some FUNgus facts!

<https://herbarium.usu.edu/fun-with-fungi/fun-with-fungi-fact-sheets>

Mushrooms drop spores instead of seeds. With a little patience, you and your child can use store bought mushrooms or ones found in the park to create spore prints!
