

# Master Watershed Steward Program

**2021 training applications being accepted now!**

**The Master Watershed Steward program trains and empowers individuals to protect environmental resources in our county. Volunteers assist our partners with stream assessments and improvements, cleanups, community education and much more.**

**The 2021 training session starts March 3.**

Training will be provided remotely Wednesday evenings at 6:30 p.m. starting March 3rd and running through June 2nd and will include 40 hours of instruction on 19 topics. This year's training will include local and statewide components.
