

# Squirrel Detective Scavenger Hunt

Squirrels live all around us. They are very busy all year finding food, making nests, burying nuts, and climbing trees. We may not always see squirrels, but we often find clues that they are around.

See how many of these squirrel clues you can find. Have fun exploring!

Squirrel Leaf Nest

Acorns (food)

Squirrel Footprints  
(Tracks) in Snow or Mud

Pinecone (more food)

Chewed Nuts

Tree Hole Home

Log (great to eat a snack on!)

Fallen Leaves (used in making nests)

Bonus - A real squirrel!
