

In July 2020, the Pittsburgh Parks Conservancy started the first of several projects to reconstruct the historic North Promenade—the prominent walkway that runs parallel to North Avenue—within Allegheny Commons Park. The complete project scope can be found online at pittsburghparks.org/ac, along with frequent construction updates.

As part of the reconstruction of a beloved and much-used park, the Parks Conservancy is pleased to offer the opportunity to dedicate a bench within Allegheny Commons Park. Bench dedications are a great way to honor, memorialize, or pay tribute to family, friends, an anniversary, a special moment, or group/organization.

The bench dedication program is limited to the Allegheny Commons North Promenade stretching from Federal Street to and around the Northeast Fountain. See below for more details regarding the bench dedication program in Allegheny Commons Park:

1. Bench dedications include a 2.5" high by 8" wide bronze plaque that will feature a custom dedication message to be approved and printed by the Pittsburgh Parks Conservancy.
2. Donors will be able to approve a digital proof of the final plaque.
3. After making the donation it will take between 6 to 8 weeks for the final plaque to be installed.
4. The donation to dedicate a bench also includes 3 years of maintenance.
5. Benches 15, 17 - 38 are available for a \$1,500 donation. See reverse for locations.
