Bench Dedications

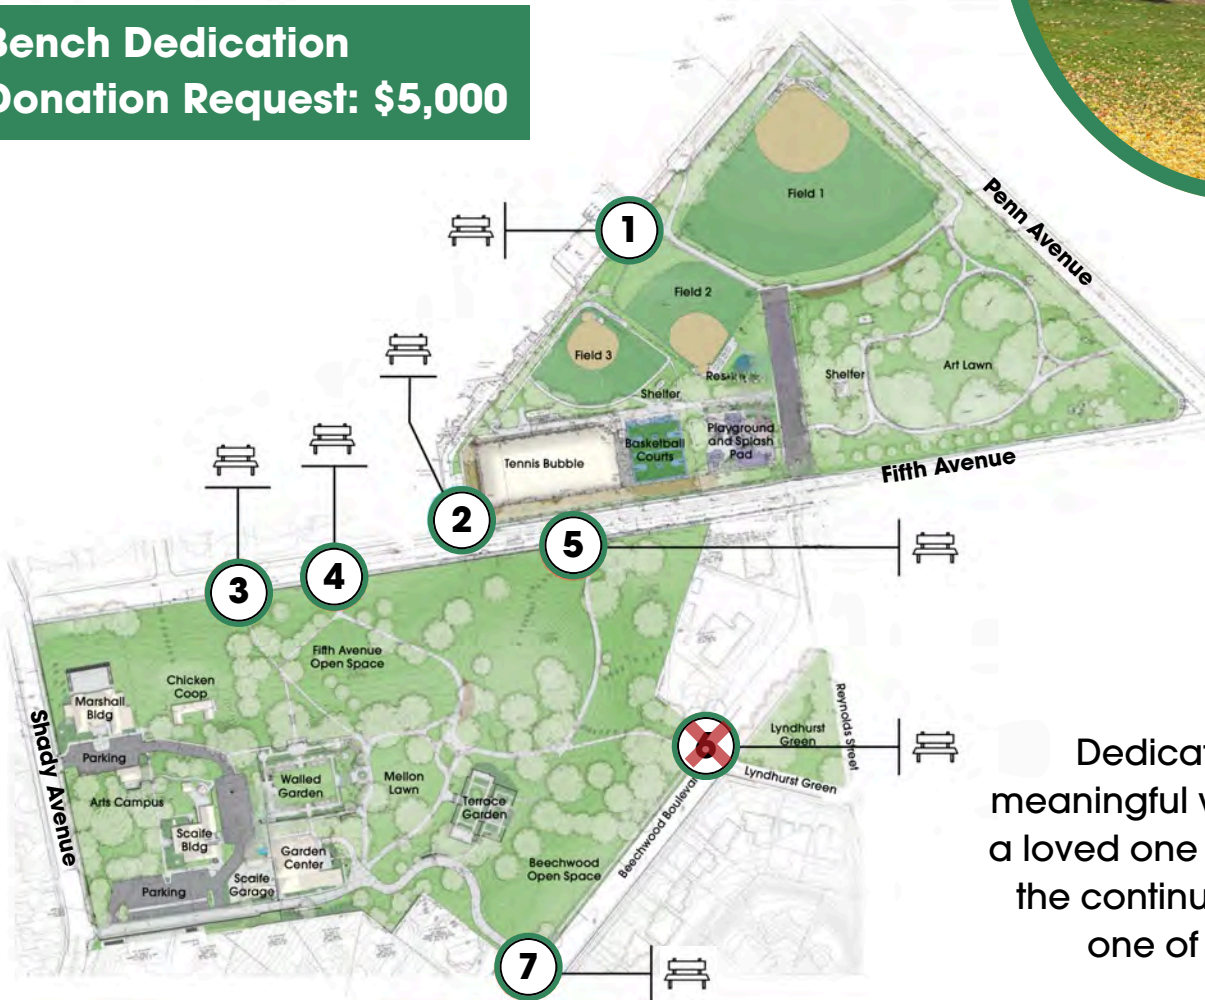

Mellon Park

Benches located in both North and South Mellon Park

In 2024, the Parks Conservancy and the City completed the first project from the Mellon Park Action Plan, upgrading entrances and signage to create a more welcoming and cohesive experience. As part of these improvements, new benches were installed, offering visitors a place to pause and enjoy the scenery.

**Bench Dedication
Donation Request: \$5,000**

Dedicating a bench is a meaningful way to celebrate a loved one while supporting the continued restoration of one of Pittsburgh's most beloved parks.
